# COLLECT

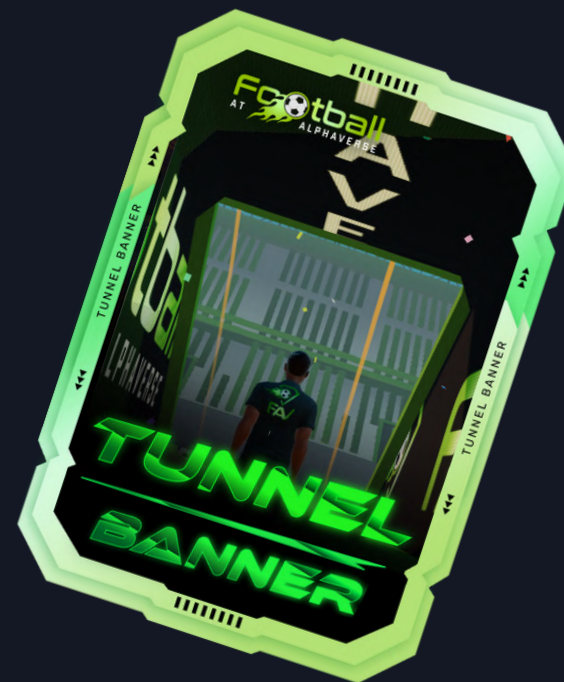

## Collect NFTs to earn real-life perks and valuable rewards

### Seats

The Seats collection offers several stadium seating categories, ranging from Seats to Presidential Seats, with exclusive benefits for each category.

All seat categories offer the opportunity to earn NFT airdrops. The VIP and Presidential Seat categories offer additional benefits, such as early access to new FAV features and invitations to online and physical events.

### Banners

The Banners collection allows companies to exhibit their own brand in the various stadiums in FAV.

This collection is very limited and is primarily intended for businesses. The NFTs in this collection also offer exclusive benefits such as advertising opportunities and B2B benefits.

### Walk of Fame

The Walk of Fame collection offers players the opportunity to own NFTs that represent personalized paving stones on the stadium entrance floor, engraved with their name or nickname.

Each Walk of Fame NFT is unique and personalized. Walk of Fame NFT holders also receive exclusive rewards, such as access to the FAV Museum's curation DAO, as well as airdrops and other exclusive benefits.
