

Football at AlphaVerse Announces Token Listing and Beyond

20/09/2023 — Football at AlphaVerse, the groundbreaking AI-powered 3D interactive universe, is thrilled to announce the listing of its core token, \$FAV, on the Chiliz platform. This marks a significant milestone in the project's journey to redefine football fandom in the digital age.

About Football at AlphaVerse

Football at AlphaVerse offers fans an unparalleled experience, allowing them to immerse themselves in the world of their favorite football clubs. The platform features a digital stadium, museum, social hub, and much more. It's a universe that is open to everyone, regardless of location, and is free to play, making it accessible to a global audience.

The \$FAV Token

The \$FAV token serves as the central currency within the Football at AlphaVerse ecosystem. It facilitates a range of activities, from purchasing exclusive NFTs to participating in DAO decisions. Token holders gain access to a multitude of experiences and privileges, including real-life perks such as VIP entries to football events and exclusive interactions with renowned clubs, players, and fans.

Future Plans

The \$FAV token will be listed on Chiliz initially, as our official partner. To celebrate this milestone, Football at AlphaVerse is introducing the FAV Deposit Campaign, featuring a total prize pool of 200,000 \$FAV tokens. The campaign is open to KYC2-verified users and operates on a first-come, first-served basis.

Beyond the token listing, Football at AlphaVerse has an ambitious roadmap that includes the launch of new features, partnerships, and community events. The primary goal remains to build a vibrant and engaged community of football fans within an immersive 3D environment.

A Community-Centric Approach

Join the campaign and be at the forefront of a community that's shaping the future of football like never before. This campaign is not just about winning tokens; it's an invitation to be part of a revolutionary movement in football fandom.
